## PRINCIPAL'S MESSAGE

From the very first day of this academic year, I have walked with my dear students, teachers and parents, sharing in their hopes, encouraging their dreams and witnessing their success. Being part of the success stories across academics, arts, culture and sports has been one of my greatest blessings. Every award ceremony I attended was not just a celebration of achievement, but a celebration of the spirit that makes Chavara Public School truly special.

As I look at the 16 Championship Trophies our school has won in academics, sports and arts, I see the story of a community united in purpose. What makes these 16 trophies extraordinary is not just their number, but the vision they embody. They remind us that education is not just a solitary journey but a collective pilgrimage, where every step is strengthened by the companionship of mentors and guardians.

Behind every gleaming medal and every certificate held with pride, lies the unseen strength of teamwork. Our faculty, with their wisdom and patience, have lit the path of learning. Our parents, with their encouragement and trust, have been the steady wind beneath our children's wings. Together, we have built a bridge of support through which our students have marched towards success.

The classroom was the stage where curiosity unfurled. The playground became the arena where resilience was tested. The auditorium transformed into a canvas where creativity danced. Teachers guided, parents cheered, and together they formed a collective effort that turned challenges into victories.

The seeds we have sown through collective and unending efforts will blossom into a future filled with promise. Our children will carry forward not only the lessons of textbooks and victory, but also the deeper lesson that success is sweetest when shared.

With deep joy and gratitude, I present the Prologue, the Annual Newsletter of Chavara Public School, Pala. Each page of this edition carries the heartbeat of our school. My dear students, you are the reason this school comes alive. Your smiles, your efforts and your courage to rise after every setback inspires me every day. Beloved teachers, you are the silent heroes who shape every triumph with your dedication and love. Dear parents, your unwavering support and trust are the strength behind every step.

As you feast your eyes through the pages of the Prologue, I hope you feel the pride, joy and warmth that filled our corridors this year. Let us continue to dream bigger, work harder and be the torch-bearers aiming to conquer greater heights. Thank you for being part of this journey.

May the spirit of unity continue to guide us.

May our victories inspire us to achieve greater dreams.

With heartfelt blessings,

Principal

## DIRECTOR'S MESSAGE

Chavara Public School, Pala is a testament to the belief that a strong foundation in learning is supported by a strong foundation in infrastructure. Over the past 28 years, we have invested thoughtfully in creating a campus that inspires both academic excellence and holistic growth.

Every corner of our campus has been shaped to remind our children that learning is not confined to books alone, but is a process involving experiential learning and interacting with the environment. Our commitment to sustainability is reflected in green initiatives across the campus.

Spacious classrooms equipped with modern teaching aids, well-stocked libraries, advanced science and computer laboratories as well as dedicated spaces for arts and sports, together form an environment where students can explore, innovate and thrive.

With immense joy, I share that a new sister concern, Chavara Mount CMI Public School has opened its doors at Thudanganad in Muttom, carrying forward the CMI legacy of edification. Admissions are now open, and this new branch promises high standards of infrastructure, faculty expertise and student-centered learning that have become the hallmark of our school.

As we broaden our horizons, our promise to provide sanctuaries of learning that kindle both intellect and character is steadfast. Our focus to provide every learner with the tools, spaces and opportunities they need to succeed remains unwavering. Together, let us continue to build not just schools, but havens of hope where every child learns to shine.

## VICE PRINCIPAL'S MESSAGE

The Academic Year 2025-26 has been a series of victories, each story of success rooted in the timeless ideals of St. Kuriakose Elias Chavara. Our Patron Saint's vision, that education must enlighten the mind and ennoble the soul, continues to steer and guide us. This radiant chapter in our school's journey is adorned with laurels in academics, arts, and sports.

Fr. Paulson Kochukaniyamparambil CMI  
Vice Principal

Our students have soared high in academics, performed gracefully in the arts and displayed courage and discipline in sports. Yet, their victories are not measured merely in medals and trophies, but in the humility with which they wear them and the compassion with which they serve others. Each achievement is a flame, kindled by dedication, that lights the path for many more to follow.

Teachers, steadfast in their mission, have nurtured wisdom with patience and love. Parents, with trust and encouragement, have strengthened this foundation. Each victory has been a testimony to discipline, teamwork and resilience—the very virtues that built the world class CMI legacy. Together, we have witnessed young minds blossom into radiant testimonies of St. Chavara's dream—children who excel, yet remain rooted in values of truth, justice, and empathy.

As we celebrate this year of exceptional laurels, we pledge to carry forward the lamp of wisdom, ensuring that every Chavarite becomes not only a beacon of knowledge but also a bearer of goodness.
